使用「轉數快」系統提示

按最新監管要求，本行已實行較嚴格的措施以確保客戶使用「轉數快」系統作收款時的收款人姓名及銀行戶口號碼和本行記錄相符。同時，其他銀行亦可能實行更嚴格的措施以確保收款人姓名及銀行戶口號碼符合收款銀行記錄。因此，若客戶透過戶口號碼進行轉賬，請向收款人確定其收款銀行的戶口號碼和收款人姓名。若客戶以我行戶口號碼進行收款，請確保提供與本行記錄相符的戶口號碼和收款人姓名。否則，有關交易可能被拒絕。

本行鼓勵客戶登記「轉數快」以透過識別代號（手提電話號碼和 / 或電郵地址）收款，對方在轉賬時便毋須輸入您的姓名。

敬希垂注。

FPS Service Reminder

Based on latest regulatory requirement, our bank is imposing stricter controls to reduce the chance of mis-transfer of funds when using FPS by checking the recipient's name and bank account number match with the bank's record.

Other banks may also have imposed stricter controls to ensure the recipient's name and bank account number match with the payee bank record. If you are transferring fund to your payee via account number, please confirm the bank account number and name matched with the payee's bank record. If you are receiving fund using our bank, please provide the exact account number with name which matched with our bank's record. Otherwise, the transaction may be rejected.

Besides, we encourage our customers to register for FPS to receive money via Proxy ID (mobile number and/or email address), so the payer will not have to enter your name.

Thank you for your attention.
