Important Notice to Customers

Notice of minimum operating system upgrade for CCB (HK&MO) Mobile App and FortuneLink Mobile App

To protect your online banking security, the minimum operating system for CCB (HK&MO) Mobile App and FortuneLink Mobile App (“mobile banking services”) will be upgraded to iOS 14 for iOS users from **September 30, 2023 (Saturday)**.

Please be reminded to update the operation system of your mobile device to iOS 14 or above to continue enjoying our mobile banking services. The update steps are as follows:

1. Go to ‘Settings’ and select ‘General’
2. Tap on ‘Software Update’ to begin the update.

For enquiries, please contact our branch staff or Customer Service Hotline at +852 2779 5533.
