10. Upon log in to the OEBS, select “Modify Password”

Modify Password

* To safeguard your Online Banking account, the Bank recommends you to change your password on a regular basis, and study the Security Tips.

▶ Please use 8 to 16 characters in a combination of number(s) and alphabet(s) for your New Password [upper and lower case letters (A-Z, a-z) and numbers (0-9)], Please note that alphabets are case sensitive. For security, do not use a password that is easy to guess, for example, your User ID or telephone number of your office; cannot contain any 6 or more consecutive numbers or alphabets in sequential patterns ; cannot contain 4 or more consecutive identical numbers or alphabets.
If your security token is non-synchronized, please perform [token synchronization](#).
